

## 2017 Antelope Titans Scrimmage

Coaches,

I wanted to introduce myself and thank you again for participating in this year's scrimmages. I am honored to be taking over the Titans program from Lisa Wallace (Sherman).

1. Drop dead at 55 minutes no exceptions. One hour for each game. Be ready to go on the hour.
2. We attempted to secure umpires with Carl Clark this year and we were informed they have committed to a tournament in Fairfield. **Have someone available to call game for you (parent or assistant coach).**
3. Coin flip for visitors/home.
4. Supply new/usable game ball for each game.
5. Admission will be \$3 and kids 12 under free.
6. Please follow your batting lineups. Bat entire lineup or make legal sub. No issues for field substitutions.

**If there are any issues with schedule please contact me ASAP and we will try to accommodate.**

**Weather issues, please call Dale Johnson (530) 681-7627 prior evening or early morning of scrimmages.**

Thanks,

**Dale Johnson**
